

## Working Together

# Memorandum of Understanding

EDGE IT Systems Ltd. and DCK Accounting Solutions Ltd. hereby agree to work together to provide financial software and services for Local Councils in England and Wales.

This memorandum of understanding is to allow both parties, their staff and their clients to understand the relationship.

Both parties hereby agree:

- (i) To promote the financial products and services of the other party to Local Councils.
- (ii) That the other party is free to promote other financial products and services that may be competitive.
- (iii) To inform the other party within 3 working days with details of any issues that come to their attention in relation to the products and services provided by the other party.
- (iv) EDGE to provide DCK with logon accounts to EDGE Remote Apps in order for DCK to access the AdvantEDGE Finance software of clients that DCK are contracted to provide financial services. The annual charge to DCK will be 75% of the published price for an additional user, which is currently £79 plus VAT. DCK logons are for the exclusive use of DCK employees and DCK agrees not to share the logon details with any external third party.
- (v) To give 90 days' notice to terminate this memorandum of understanding.
