# **New look and name for DCK Beavers Accounting Solutions**

DCK Beavers, the specialist accountancy firm for town and parish councils has rebranded to become DCK Accounting Solutions. The move marks an evolution of the company as it continues to expand and attract new councils.

Established in 2000, DCK Beavers quickly established itself as the go-to accountancy firm for town and parish councils; and now represents around half of the larger town and parish councils in the UK, managing a wide range of services including annual accounts, book keeping, training, and VAT – a particularly challenging area for councils who may be incorrectly relying on being able to reclaim all their input VAT.

*“It’s more of an evolution than revolution”, says Derek Kemp, Principal Consultant and co-founder. “It’s the same great service from the same great staff, and we’re looking to expand our team further.”*

*“We recognise that it’s important to keep up-to-date and believe our new name and logo reflect our response to an ever-changing sector.”*

Another key reason behind the change is to reflect our recent input supporting the AdvantEDGE software from EDGE IT Systems. EDGE provide IT solutions for parish & town councils including the comprehensive range of AdvantEDGE management modules for councils, including Finance, Facilities, & many more.

The team at DCK are happy to answer any questions from both current and new customers as well as the media and can be contacted by email on [admin@dckaccountingsolutions.co.uk](mailto:admin@dckaccountingsolutions.co.uk) or by telephone on 01793 739 110. EDGE can be contacted by email on [info@edgeITsystems.com](mailto:info@edgeITsystems.com) or by telephone on 024 7666 7337.
