This image showcases HeritEDGE Mapping, an add-on feature to our Epitaph software.

Epitaph is **Software as a Service (SaaS)**. The software and data are held in the cloud on UK servers. Access is available from Windows, Apple or Android devices with an internet connection. You are always running on the latest version of the software and EDGE automatically backs up your data **every hour** at no extra cost to www.datto.com. **Support** is included in the price, and is available by phone, email and online helpdesk through which software enhancements can also be requested.

No Capital Expenditure. Payment for the use of **Epitaph** is via a leased term contract; monthly, 1, 3 or 5 years. Pricing per concurrent user includes unlimited Epitaph user logons. Each concurrent user account enables one Epitaph user to connect at a time, and multi factor authentication (MFA) is included. Additional, concurrent users are £143 per annum and can use all AdvantEDGE modules subscribed to. **Escrow** is included to provide service for a 60 day period and the ability to download data with a 12 month software licence. Other escrow options available.

We offer online training by the hour, which is particularly useful for getting you started, for new members of staff and refresher training.
